NCS (G)/Cir/38/2021-22

Dated: 13.08.2021

Dear Parent,

Navy Children School, Goa has implemented the Extramarks learning software, integrated with the Microsoft Team platform as an audio visual learning aid for our students and teachers. Animations, videos and relevant subject content will be available in their everyday learning experience during online classes, as a teaching / learning aid. This has been implemented from Aug 2021.

You may recall that for AY 2020-21, the fee for Teachnext software was waived off since the software was not employed view pandemic/ non-conduct of regular classroom sessions. However, in wake of the continuing Covid restrictions during AY 2020-21, appropriate measures are being implemented to enhance online instructions. Integration of content from Extramarks learning software integrated with MST has been one of such measure.

Kindly note that charges for implementation of the learning software will be applicable from Aug 2021. The monthly charges for the same have been calculated as ₹ 50/- per student. This is a total of ₹150/- per quarter, per student.

- | | | | |
|----|-----------------|---|--------|
| a) | Aug – Sept 2021 | - | ₹100/- |
| b) | Oct – Dec 2021 | - | ₹150/- |
| c) | Jan – Mar 2022 | - | ₹150/- |

The ₹100/- component for Aug – Sept 2021 will reflect along with the Oct – Dec 2021 charges. Hence, the total Extramarks fee for the next quarter will be displayed as ₹250/- (₹100+₹150) on the fee payment portal.

Parents who have paid fees for the full academic year, may check the parent portal and clear the balance amount.

Warm regards,
NCS Goa
