

NAVY CHILDREN SCHOOL, GOA
HOLIDAY HOMEWORK
CLASS IV 2022-23

It's Holiday Time!!!!

We have some really interesting activities for you to do!

1. Draw or print a summer scene and colour it. Paste it on a hard cover or backing of any old notebook or magazine. Cut it into eight or more pieces. A cute DIY Summer scene puzzle is ready! You can make a few and have fun evenings with your family as they try to **Puzzle Them Right!**

ENGLISH:

1. **Dictionary Activity:** Using ANY three letters of your name, find adjectives. Write the meaning of the adjective and make a chart of the adjectives showing degrees of comparison.
Example: PRIYA
P: PRETTY
Meaning: attractive
PRETTY - PRETTIER- PRETTIEST
I: INTELLIGENT
Meaning: clever/sharp
INTELLIGENT- MORE INTELLIGENT THAN - THE MOST INTELLIGENT
A: AFFABLE
Meaning: friendly
AFFABLE - MORE AFFABLE THAN - THE MOST AFFABLE

2. **Vocabulary:** Try these **Letter Swaps! And write the new words formed.**
 - i. Instead of 'br' in bricks, use t, th, st, cl,fl
 - ii. Instead of 'c' in card, use b, h, must, wiz, forw, backw, cow
 - iii. Instead of h in hook, use b, c, l, t, sh

3. **ICT integration:** Attempt the following worksheets online
<https://www.liveworksheets.com/zy1326sp>
<https://www.liveworksheets.com/gj1507963po>

4. **Writing:** write a short story on any one/ more of the given situations '**What if.....**'
(You may think of other topics of your own too)
 - You walked into an elevator and it shoots off to space!
 - You wake up and find yourself in a cave!
 - Your mirror starts speaking to you!
 - A little kitten walks into your home!
 - You are a zookeeper and the animals talk to you!

5. **Speaking:** Narrate your story once you are back to school and answer questions posed by your classmates.

EVS:

1. If you get a chance, visit a zoo/national park/wild life sanctuary and write a paragraph about your favourite animal.
2. Make an animal face mask/ finger puppet.

Farm Animal Finger Puppets

MATH:

- 1) tessellate and create a design in your notebook. (Video will be shared)
- 2) find out two tallest / longest monuments of the world, write its measurement of length in the notebook and stick pictures.
- 3) Solve number puzzle

$$\text{Watermelon} + \text{Watermelon} + \text{Watermelon} = 36$$

$$\text{Watermelon} + \text{Orange} + \text{Orange} = 28$$

$$\text{Orange} - \text{Banana} = 3$$

$$\text{Orange} = ? \quad \text{Watermelon} = ? \quad \text{Banana} = ?$$

All home work to be done in the notebook
